

# the 400 series from Peninsular

# 400TAS

## 310 Horsepower Turbocharged Marine Diesel

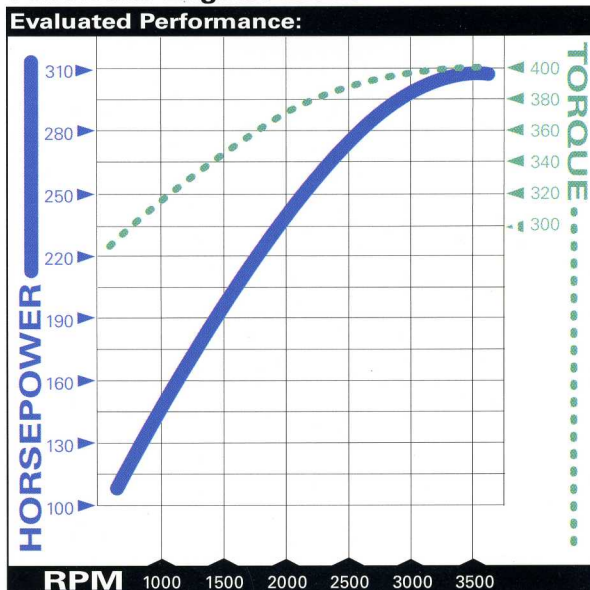

### Equipment listing

#### Featuring the Mercury Bravo® Series Stern Drive Package

The 400TAS rated at 310BHP is teamed up with the Mercury Bravo® Series Stern Drive to bring you two proven and powerful products in one package. The engine's size and its compatibility with stern drive units along with diesel fuel economy make this the informed consumer's choice for re-powering boats.
